Controls and Connections

Installation Instructions

1. Connect the audio cable from the speaker with the 3.5mm stereo mini plug to a sound source such as a computer sound card, CD player or game console to the LINE OUT or Headphones socket of the audio source.
2. Make sure the Power switch is in the OFF (out) position. Connect the AC adapter to the input socket on the back of the speaker panel, and plug the adapter into an AC power supply.
3. Press the Power button to switch on the speakers. The Power LED will light.
4. Adjust the volume as desired.

FCC Norm

FCC

This equipment has been tested and complies with limits for Class B digital devices pursuant to Part 15 of Federal Communications Commission (FCC) rules.

FCC Compliance Statement

These limits are designed to provide reasonable protection against frequency interference in residential installations. This equipment generates, and radiates radio frequency energy, and if not installed properly or used in accordance with the instructions, may cause harmful interference to radioz communication. However, there is no guarantee that interference will not occur in television reception, which can be determined by turning the equipment on and off. Interference may be corrected by one or more of the following measures:

- **Reorient or relocate thez receiving antenna**
- **Increase the separation between the equipment and the receiver**
- **Plug the equipment into an outlet on a circuit different from that to which the receiver is connected.**

CAUTION!

The Federal Communications Commission warns the user that changes or modifications to the unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Service Procedure

For technical support after the first 14 days of purchase, please call the toll free number below to obtain service. A customer service representative will assist you and provide a return authorization number (RA number) if needed allowing you to ship your product to the service center.

DO NOT RETURN THIS PRODUCT TO THE STORE. PLEASE CONTACT THE TOLL FREE NUMBER LISTED BELOW

Please have the following information available when you call the service center:

- Your Name and Address
- Date of Purchase
- Model Number
- Serial Number
- Store Name and Address
- Store Location Number
- Type of problem with the unit

After receipt of the RA number:

- Send the complete unit, including power cord and adapter in the original carton to the address below.
- Include a copy of the original receipt for proof of purchase (within 90 days).
- Write the RA number on the outside of the package. Packages without RA numbers will not be accepted.
- Use extreme care when handling and packaging the unit.
- The purchaser is responsible for any shipping charges to the repair facility and assumes all risk.
- The service center will repair or replace the unit and send it back to the purchaser within 10 working days from receipt of the unit.

To contact the service facility, please call **508-435-4830** or 800-639-3803. The address for this facility is:

Four Star Group
26840 Fargo Ave. Suite C
Bedford Heights, OH 44146
