

# GAZEBO INSTRUCTIONS – Connecting Tubes # 1 & 3

**Model # 12503978 – 10 ft. x 10 ft. Screen House (2010)**  
**Model # 12504281B – 9.2 ft. x 9.2 ft. GAZEBO (2011)**

**NOTE:** Some model's tube # 3 may not have the metal clips.

1. Identify the tube numbers, Tube 3 is very distinctive from the others as they have the metal clip, see below (note: we hand wrote the parts numbers; look for stickers).

2. To connect Tube 1 & 3, start by holding tube 3 straight ; place Tube 1 at an angle with the metal clip inside tube 3.

3. Slowly straighten both parts and slide together.
